Wednesday 24th June 2015

Dear Parents,

As you are no doubt already aware, parking and dropping off at the beginning and end of the school day continue to be an issue and, in the light of this, we have recently had our car park extended to accommodate a further 11 car parking spaces.

In the meantime, however, it has been brought to my attention by neighbours and local residents that some of our parents are causing problems as they drop off and collect their children, parking in residents' spaces and, on occasions, causing obstructions to driveways and public thoroughfares. Most recently, I was contacted **again** by one of our local residents in Braybrook, to inform me that our parents have also been verbally abusive and aggressive and I find this to be **TOTALLY** unacceptable.

Please might I take this opportunity to remind you of the need to work alongside our neighbours, as we continue to sustain good relationships with the local community.

Thank you, in advance, for your support in this.

Yours faithfully,

Miss E Green
Headteacher
