Be a role model to younger children.

Take pride in our work every single day.

Always persevere.

Always try our best and be proud of what we have achieved.

Be a kind person.

Walk around the school safely and sensibly.

Smile, be happy and positive!

Make smart choices.

Respect every single member of our Braybrook Family.

Respect our school and all the beautiful things we have in it.

Let other children join in games.

Say 'Please' and 'Thank you'.

Remember our manners when we are eating our lunch.

Respect our environment by using the litter bins.

Show people that you are listening to them.
