Monday 9<sup>th</sup> November 2015

**Curriculum and Assessment**  
**Information Evening**  
**Braybrook Primary School – Main Hall**  
**Tuesday 24<sup>th</sup> November**  
**6pm**

Dear Parents,

As you are already aware, over the course of the last academic year, we have been working hard to further develop our curriculum and to provide many new and exciting opportunities for our children. We provide rich learning experiences, whilst also addressing the requirements and expectations of the 'new' National Curriculum, which was introduced in September 2014.

In addition to this, given recent changes to the assessment of children which has moved away from National Curriculum Levelling, we have been working to develop the assessment and tracking systems that we use to monitor and report the progress and attainment of our children.

As we approach the first pupil progress report of the year for parents, which is due at the end of the Autumn Term, we are organising a 'Curriculum and Assessment Information Evening', to share with you further details about our curriculum, national expectations and the way in which we will be sharing your children's progress with you in the future. **This is an extremely important meeting and your time and commitment to this is imperative** if we are to continue in working together for the best of every child within our school.

We look forward to welcoming you.

Yours faithfully,

Miss E Green  
**Headteacher**
