

# As KS1 **Historians** we will learn to:

- think about the past.
- ask and answer questions.
- understand why people did things, why events happened and what happened as a result.
- talk about similarities and differences between ways of life at different times.
- know where people and events in our topic fit on a chronological timeline.
- use words and phrases relating to the passing of time.
- explore the different ways in which the past is represented.
- understand ways we can find out about the past.
- talk about different types of people, events and beliefs within society.
