Monday 1st February 2016

Dear Parents / Carers,

On the 9th February 2016, it will be national 'Safer Internet Day'. As part of this campaign, the nation's schools will be 'Sharing a Heart', in order to promote respect and kindness online. The shape of a heart has been chosen as a universal sign of love.

We want children to fill their heart (see attached) with positive messages on using the internet. Their messages will be displayed at school and a select few will also be uploaded onto our school website. Your message can be in the form of an image, written or even as a video! Entries need to be given to Miss Jensen by the 9th February 2016.

Here are some examples:

For more information about keeping your child safe online, and for news about 'Safer Internet Day' visit: <http://www.saferinternet.org.uk/>

Keep your eyes peeled for further information and events about keeping your child safe when using the internet.

We look forward to seeing your creations!

Kind regards

Miss Jensen
Computing Co-ordinator
