

This is a brilliant idea for parents. I learned a lot about how to help my child with their reading. I am better equipped now to support my child at home.

Well done to all the wonderful teachers, doing their best for our children.

Amazing night full of information!

Amazing night full of information. We all really enjoyed it — Well done Braybrook!

Precious time with my child

Cod and Curriculum Evening

Parental Feedback

Can't wait for another evening similar to this!

Thank you for a well organised evening. It was very useful and insightful.

So informative and helpful

I found the information given very useful and now feel I am able to take a lot home to help. Very glad I attended!

These evenings are FANTASTIC! It's wonderful to get a peek from the other side of what's going on, so I can support learning better at home.

If you missed our '**Cod and Curriculum**' night this time, you can access all the information on our Braybrook Primary School website.
