Introduction

At Braybrook Primary School, we believe that the education of our children is most effective and beneficial when shared between school staff, parents and members of the wider community. The active involvement of parents in a volunteer role has the potential to provide considerable benefit to the intellectual and social development of children. In addition, the participation of volunteers enhances good communication and positive relationships between the school, parents and the wider community. The Governors of Braybrook Primary School encourage and welcome the involvement of volunteers, to support the ongoing work of school.

We believe that the use of volunteers encourages parental involvement, complements the skills and expertise of our staff, assists our school in providing additional enriching learning experiences and extra-curricular opportunities, and strengthens relationships and lines of communication between the school, home and wider community.

Values

- The use of volunteers, in helping in the daily life of the school, is an important way of helping learning to take place. They offer commitment, energy and enthusiasm and can enrich the curriculum through day to day activities. An extra person in the classroom can be of great help to the class teacher and an added source of knowledge for the children.
- Volunteers are highly valued by our school. We welcome volunteers as they help to develop the school as part of the community, and enhance links with it.

Our volunteers may include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- University students referred to us by Student Volunteer Services
- Ex-members of staff
- Local residents
- Friends of the school

The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as an additional support
- Accompanying school visits

Aims

- To highlight the importance and value of volunteers at our school.
- To encourage voluntary help in a way that will benefit children's learning.
- To ensure that voluntary help is well distributed throughout the school, to maximise benefit to all children.
- To support volunteers through training, encouragement and the sharing of appropriate information, to enable them to feel valued members of the team.
- To ensure that volunteers are not used as substitutes for teachers or support staff.
- To recognise that the use of volunteers can make some teachers and parents feel uncomfortable, particularly if parent volunteers are working in the same class as the one their child is in. Children can also be unsettled by their own parent working in their classroom and we need to take necessary steps to prevent this.

Safeguarding

Braybrook Primary School is committed to safeguarding pupils, young people and vulnerable adults and expects its volunteers to share that commitment.

Definition

Activity which is described as 'frequent' or 'intensive' covers the meaning given in the Safeguarding Vulnerable Groups Act 2006.

'frequent' – once a week or more often on an ongoing basis; and

'intensive' – three or more occasions in a 30 day period, or overnight (between 2am – 6am).

Outcomes

- Volunteers can expect recognition and thanks from our school for their valuable time and assistance.
- Voluntary help will be encouraged by:
 - Asking for volunteers in school newsletters.
 - Speaking to new parents at the EYFS Induction meeting during the summer term.
 - Using a personal approach to parents.
- No member of staff will be obliged to work directly with a volunteer if this is against his/her wish, as expressed to the Head Teacher.
- Unsupervised access to children by volunteers will be avoided.
- Volunteers will be allocated to a specific class or year group and supervised by the members of staff concerned.
- Volunteers may be asked to help with a wide variety of tasks, for example: sewing, hearing readers, art activities, mounting work, preparing learning materials, helping small groups, filing children's work.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the pupils they work with/come into contact with should be voiced with the CP Designated Leads and NOT with the parents of the child/persons.

Volunteers who are concerned about anything in the school which may affect their work should raise the matter with the Headteacher or an appropriate senior member of staff. Any information gained at the school about a child or adult should remain confidential.

Volunteers will be asked to sign a confidentiality agreement and strict adherence will be enforced.

Supervision

All volunteers work under the supervision of a teacher or full time member of staff. Teachers retain ultimate responsibility for pupils at all times, including the pupils' behaviour and the activity that they are undertaking.

Volunteers should have clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem regarding the pupil's understanding of a task, behaviour or their welfare, volunteers must seek further advice/guidance from their designated supervisor.

Training is the responsibility of the class teacher and may be carried out, if appropriate, by other adults already working in the classroom. Teachers should make sure that volunteers know how to hear children read, when to intervene, what strategies the school uses and how to fill in reading records.

Character references may be sought and appropriate checks made through the LA.

Index of volunteers

We keep a list of volunteers, with full contact details.

Grievances

Should any conflict arise, then the Headteacher would try to resolve this internally. Should this fail, then the matter may be referred to the Governing Body to resolve.

Health and Safety

The school has a Health & Safety Policy, which can be found on the Health & Safety board in the staffroom. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) and about any safety aspects associated with particular tasks (e.g. using D T equipment/accompanying pupils on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the designated Supervisor/Headteacher. Volunteers are covered by the school's Public Liability Insurance.

Child Protection

The welfare of our pupils is of paramount importance. To ensure the safety of our pupils, we adopt the following procedures:

- All volunteers will be asked to read and sign against 'Keeping Children Safe in Education' guidance for 2016.
- All volunteers are given a copy of the Volunteer Policy and asked to sign a 'Volunteer Agreement' (Appendix 2).
- All of our volunteers must have been cleared by the Disclosure and Barring Service (DBS). A DBS Disclosure will be issued to the individual, to present to the office for the designated member of staff in school.
- Where a volunteer is engaged in a 'one-off' activity (e.g. helping supervise a group of pupils as part of a class visit), no formal checks are required. However, such volunteers, who will be under the constant supervision of school staff, must read and sign our 'Off-Site Visit Agreement' (Appendix 3).
- Any concerns a volunteer has, about child protection issues, should be referred to the designated lead or Head Teacher immediately.

Complaints Procedure

Any complaints made about a volunteer will be referred to the Headteacher, or an appropriate senior member of staff, for investigation. Any complaints made by a volunteer will be dealt with in the same way.

The Headteacher or designated member of staff reserves the right to take the following action:

- To speak with a volunteer about a breach of the Volunteer Agreement and seek reassurance that this will not happen again
- Offer an alternative placement for a volunteer (e.g. helping with another activity or in another class).
- Based upon the facts identified in the investigation, it may be necessary for the school to inform the volunteer that the school no longer wishes to draw on their support.
- Provide the volunteer with a copy of the school's full 'Complaints Procedure'.

Monitoring and Review

This policy has been approved by the Governing Body and will be regularly reviewed and updated.
