Happy Colour Monster

Collect leaves, flowers and other natural resources from your garden. Create a leaf picture like the one below. Design it to be a Happy Colour Monster face.

Design a Hopscotch

You could use a stone to mark it out or water from a squirty bottle. Could you take a photo or video of you playing the game?

Build a happy den

Create your own den in your garden or in the woods (with an adult). Make it a memory you'll have forever

Wash Day

In school we have been washing clothes by hand just like people in England did 100 years ago. Ask your parent if you can wash and dry some of your clothes like this outside.

A-Z word search

Look around your garden – can you find something that starts with each letter of the alphabet?

Lines

Go for a 10 minute walk with an adult. During the first minute count how many lines you step over.

Story making

Find some stones to make into colour monsters. Use felts or paints.

Now you can make your own story with them.

Target Game

Design and play your own game

Patterns

Can you make a repeated pattern with things in your home? You could use cutlery, lego or flowers, sticks and leaves.
