Maths:

We have been using the language of 'more than' and 'fewer than' to compare quantities. We have also been learning how to subitise larger quantities by looking at the smaller groups within the whole and then adding these back together.

English:

We read the story of 'The Naughty Bus.' We were shocked by the Naughty Bus' antics and we had lots of fun writing about the adventures of The Naughty Bus during our writing sessions. We have been building our stamina and practicing writing three sentences during our writing sessions. It has been hard work trying to remember all of our capital letters, finger spaces and full stops whilst also trying to remember our sentences and making sure our handwriting is nice and neat. We have done a great job!

Understanding the World and Outdoor Learning:

As the season changes, we have been on the look out for signs of Spring. We planted a runner bean in cotton wool inside a clear cup. We watched with fascination as the seed split and sprouted first one root and then a network of roots. We were amazed at how quickly the stem and leaves grew.

Reminders

Homework and Reading Books

The children's stretch and challenge books, and their 'Reading Challenge' books will be changed on Tuesday and then again on Thursday. This ensures that the children have new books to read and share over Easter. Please ensure that the books that are issues on Tuesday are read by Thursday, as this will allow us to change them ready for the holidays.

-Thursday 28th March– Reward day and the last day of term.
